Crime Victims: An Introduction to Victimology Andrew Karmen

A first in the field when initially published and now a true classic, CRIME VICTIMS: AN INTRODUCTION TO VICTIMOLOGY, Ninth Edition offers the most comprehensive and balanced exploration of victimology available today. The author examines the victims' plight, carefully placing statistics from the FBI's Uniform Crime Report and Bureau of Justice Statistics National Crime Victimization Survey in context. At the same time, he "humanizes" victims' stories through compelling case studies. The text systematically investigates how victims are currently handled by the criminal justice system, analyzes the goals of the victims' rights movement, and discusses what the future is likely to hold. This Ninth Edition presents current coverage of the seriousness of intimate partner violence, child abuse, sexual assaults in the U.S. military, acquaintance rapes on college campuses, shootings on campuses, whether arming for self-protection is an effective strategy, and similar high-profile issues. It also includes new information about "survivorology" and "bystanderology" as well as new material on practical issues facing victims.

From reader reviews:

Bobbi Wilkinson:

Spent a free time for you to be fun activity to complete! A lot of people spent their sparetime with their family, or their own friends. Usually they performing activity like watching television, gonna beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your own free time/ holiday? May be reading a book may be option to fill your free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to test look for book, may be the reserve untitled Crime Victims: An Introduction to Victimology can be fine book to read. May be it is usually best activity to you.

Diana Chung:

Are you kind of occupied person, only have 10 or maybe 15 minute in your time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you are receiving problem with the book in comparison with can satisfy your short time to read it because all of this time you only find reserve that need more time to be learn. Crime Victims: An Introduction to Victimology can be your answer because it can be read by a person who have those short free time problems.

William Rose:

As a college student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Crime Victims: An Introduction to Victimology can make you sense more interested to read.

John Stevenson:

Reading a reserve make you to get more knowledge from it. You can take knowledge and information originating from a book. Book is composed or printed or created from each source that will filled update of news. In this particular modern era like now, many ways to get information are available for a person. From media social similar to newspaper, magazines, science reserve, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just seeking the Crime Victims: An Introduction to Victimology when you essential it?
