A PARALLEL WORLD WHERE IT'S ILLEGAL TO BE OVERWEIGHT

This is the first book in the Parallel Trilogy.

What if everything you knew was suddenly gone?

Sixteen-year-old Morgan Campbell runs away from home and when she returns the next day her world is turned upside-down. Not only is her family missing, but another family is living in her house and claims to have lived there for weeks.

As Morgan desperately works to figure out what has happened, she finds society has become obsessed with weight in a way she has never seen before. The more she searches for answers, the more she begins to wonder if she has somehow ended up in another world--a world where it is illegal to be overweight.

Can she survive in this world until she can get home?

Gone does not contain any profanity or sexual content.

BONUS: Includes the first 3 chapters of Imprisoned (Parallel Trilogy, Book 2).
