The Danish Girl David Ebershoff

Now an Academy Award-winning major motion picture, starring Academy Award-winners Eddie Redmayne and Alicia Vikander and directed by Academy Award-winner Tom Hooper

National Bestseller * A *New York Times* Notable Book * Winner of the Lambda Literary Award for Transgender Fiction * Winner of the Rosenthal Foundation Award from the American Academy of Arts and Letters * Finalist for the New York Public Library Young Lions Award * Finalist for the American Library Association Stonewall Book Award

Loosely inspired by a true story, this tender portrait of marriage asks: What do you do when the person you love has to change? It starts with a question, a simple favor asked by a wife of her husband while both are painting in their studio, setting off a transformation neither can anticipate. Uniting fact and fiction into an original romantic vision, *The Danish Girl* eloquently portrays the unique intimacy that defines every marriage and the remarkable story of Lili Elbe, a pioneer in transgender history, and the woman torn between loyalty to her marriage and her own ambitions and desires. *The Danish Girl's* lush prose and generous emotional insight make it, after the last page is turned, a deeply moving first novel about one of the most passionate and unusual love stories of the 20th century.

From the Trade Paperback edition.
